Victims of COVID-19

The ministry staff of UBC and CCA are collecting the names of those in our membership and those close to our members who either are sick with COVID-19 or who have died from this disease. This is in addition to our usual call for prayer requests.

As we receive these names, each one will be written on a small slip of paper and placed in a vessel with other names, as a way to contain our grief and to hold space for each of these beloved children of God in the weeks ahead. We have a vase for the names of those who are sick and a basket for the names of the deceased.

Please send us the names of anyone you would like us to include, we will add them, and we will pray for them in the weeks ahead. You can email us at staff@ubcaustin.org.
